

ASSET RELEASE FORM

The third party agrees that all intellectual property (including, without limitation, copyright, design right, patents, rights in inventions, trade and service marks, domain names and all like rights worldwide, whether registered or not) subsisting in the assets as described below arising from or being created in the fulfilment by the third party of its obligations under this Agreement to Intu Properties plc shall be owned by Intu Properties plc. The third party hereby assigns absolutely Intu Properties plc with full title guarantee all its right title and interest in such rights (including, to the extent permitted by law, future rights) and agrees, at its expense and promptly at the request of Intu Properties plc, to execute such other documents and take such other steps as may be needed to give effect to this clause, including so that Intu Properties plc can sue and recover damages for past infringement of such rights. The third party warrants to Intu Properties plc that, in relation to such intellectual property, it has not copied (without due licence that is to be fully assigned without cost to Intu Properties plc the work of a third party and has not knowingly infringed the intellectual property of a third party. The third party hereby indemnifies Intu Properties plc against all claims, liabilities and losses arising as a result of any breach of this warranty. For the avoidance of doubt, the foregoing assignment excludes any intellectual property subsisting in any software owned or created by or licensed to the third party. To the extent that the assets as described below arising from or being created in the fulfilment by the third party of its obligations under this Agreement contain any such excluded intellectual property, the third party agrees to notify Intu Properties plc in writing of such intellectual property and hereby grants an irrevocable, perpetual, royalty-free, sub-licensable, freely transferable, worldwide licence to use such intellectual property in the use of such assets.
